Here's a recipe with cress:

Cut all of the cress from the bowl, chop finely, add freshly chopped chives and a few parsley leaves.

Press 2 garlic cloves into the mix and add 2 Tbsp of olive oil. Stir in a few drops of fresh lemon juice, and add 1 - 3 tsp of chili oil to taste.

Mix everything with 250g of very soft butter.
Chill!

This cress butter is extra delicious with grilled veggies, pasta, on top of grilled meat or just spread on a piece of fresh bread in the summer!
